SOME EXTRA ADDS AND CHANGES TO MAKE SPECIAL NOTE OF:

SCHOLASTIC DIVISIONS

All of AASCF Championships offer Scholastic & University divisions, and where possible, we make sure that your schools team is only up against other schools. As the sport of all-star cheer and dance has grown in the schools, we now have many straight school divisions and also have a Grand Champion Scholastic & University banner at all of our Championships given to the highest scoring school team. Nevertheless, we do allow schools to compete in the regular All Star sections if they choose which often suits the schools with more advanced cheer programs. Nevertheless to compete in both All-Star as well as Scholastic is only allowed on paying entry fee for both sections, i.e. \$20 for Scholastic + \$25 for All-Star

CROSSOVERS

Crossovers of participants between level 5 teams or level 6 teams from the same gym are NOT permitted. In other words, a participant can only compete on one level 5 or level 6 team from a gym/program.

Crossovers of participants from other gyms in level 5 or level 6 is also not permitted.

If teams are found to have these crossovers, the teams may be disqualified.

However - crossovers between lower levels is permitted at your own risk as the championship will not change the running order for this reason and will not wait for athletes.

Please note that cross-overs between programs are not encouraged, and in the cases of these cross-overs the athletes will need to pay the full entry fee for both programs.

CHANGES IN DIVISIONS

- Open Dance is now a 3 minute time limit
- Individual Events has been removed due to the competitions large growth, nevertheless we will offer it to the small competition's on request.
- We will only allow the top 3 of each State in each level and category State winning Partner and Group Stunt Teams go on to Nationals, so in other words the 60 second Partner and Group Stunt Teams must now qualify for Nationals. All other cheer categories do not need to qualify. There will be allowances for the States that do not yet have an AASCF State Championship or are from remote parts of Australia.
- We will only allow the top 3 of each State in each category State winning Open Dance and Partner Dance go on to Nationals, so in other words the 1.30 Partner Dance and the 3 minute Open Dance must now qualify for Nationals. All other Dance categories do not need to qualify. There will be allowances for the States that do not yet have an AASCF State Championship or are from remote parts of Australia.

UNIVERSITY TEAMS

Please make note in your try-out process that University teams wanting to compete at the University Games, as well as the World University Championship, all team members of the squad must be registered students of your University, you cannot have outsiders. University teams only competing in our AASCF competitions must be at least 80% registered University students. For University teams that have a high ratio of non-registered student athletes, you will have to compete in the All Star sections rather than the Scholastic sections.

Who will be on their Worlds journey in 2013?

WHAT DOES THIS MEAN AND HOW DOES THIS WORK?

The International All-Star Federation (IASF) is the World Governing Authority for All Star Cheer & Dance standards in safety, education, competitions, & sportsmanship. A non-profit organization made up of top industry leaders from around the world, the IASF aims to build the cheer & dance community by creating standardized safety rules, educating coaches & athletes, & hosting the ultimate athletic competition

The Cheerleading & Dance Worlds.

This competition is only open to teams who have been invited to attend as a "bid" winner. The IASF utilizes member companies (including the AASCF) to select bid winners at their competitions and those athletes come together in April to really test the limits and see who the true World Champion is.

Each event producer, hosting a Worlds qualifying event, has the discretion to select the divisions and process the bids are awarded. AASCF bid winners of the "Partial Paid" bids will be awarding a **specified dollar amount** towards the team's travel package to the Worlds.

As the first international member company in Australia of the USASF/IASF, the AASCF will select **Partially Paid Bid** cheer & dance bid winners at the **Australian All Star Cheer & Dance Championship**, which will be held in a different State of Australia every year. If the bid winners should select to compete at the Worlds, AASCF will provide support options to help fund the trip.

All Australian cheer teams performing at level 5+ and elite dance teams are eligible to be selected for this prestigious honor. Selections of bid winners are based partly on score and partly on judge panel criteria. If they are the only team in their section it will be to the judge's discretion as to if they get the bid. All decisions are final. AASCF will work closely with our Worlds bid winner(s) to support the process for everyone involved. www.iasfworlds.org

GENERAL INFORMATION

★ Music

****ALL THE MUSIC must be received at least one week before the actual event.**** This has proven to keep the competition running smoothly and on time.

ABSOLUTELY NO MUSIC WILL BE ACCEPTED ON THE DAY !!!

CD's must be clearly marked with your team name and category. All music must be age and family appropriate. As you can well imagine with hundreds of routines to be performed, the registration of your music is a very important process and needs to be regulated to ensure there is no confusion when your squad comes out to perform.

Each coach needs to have a written list of all their routines with the name of the squad, the section, cheer, stunt, pom, jazz or hip hop and age group, level etc.

You have 2 options to register your music for the AASCF Championships:

1. Email each track separately to peter@cheerleading.com.au . Clearly state in your email the name of your club, the section this track is for and most importantly, the section you are in, which can be found on the running order. Note: You can email your track in any of the popular audio formats, but it is recommended that you use either MP3, WMA or MP4/M4A when emailing. If you wish to send a WAV, AIFF or AU file, it would be best to post it (see below).
2. Post your CD with all the tracks on a single CD to:
AASCF Music
 24 Breadalbane Ave.
 Mernda VIC 3754

Important: You must include a list detailing the CD track number and the section and item number the track relates to. Also, write the name of your club on the list please and a contact number.

Your Name: _____

Contact No: _____

Name of Squad: _____

Which State Championship you competed in: _____

SECTION	NAME OF COMPETITON ATTENDING:	
e.g. Youth Cheer Level 1	DAY & DATE	Name of song

★ Judging

AASCF bring highly respected, qualified, experienced & reputable judges to all of our championships. Our Nationals judging panel are always headed by the best Judges from the USA. You will never have coaches of teams in your State judging nor inexperienced people in the industry. Every one of our judges has an extensive resume and history in the style they are judging as a former athlete/dancer and successful coach and/or choreographer as well as judge. Decisions of the adjudicators are final.

★ How to handle procedural questions

Any question concerning the rules or procedures of the tournament will be handled exclusively by one designated representative of the team (i.e. director, coach or captain) and will be directed only to a Tournament Official. Such questions should be made prior to the team's competition performance. Any questions concerning the team's performance should be made to a Tournament Official immediately after the team's performance.

★ Interruption of Performance

A. If, in the opinion of the tournament officials, a team's routine is interrupted because of failure of the tournament equipment, facilities, or other factors attributable to the tournament rather than the team, the team affected should stop the routine. The degree and effect of the interruption will be determined by tournament officials, and the team will be allowed to present its routine from a place in the routine to be determined at the sole discretion of tournament officials.

B. In the event a team's routine is interrupted because of failure of the team's own equipment, the team must either continue the routine or withdraw from the competition.

C. In the event that an injury causes the team's routine to be interrupted, the team must either continue the routine or withdraw from the competition. Tournament officials reserve the right to stop the routine if an injury occurs and have the sole discretion to determine where the routine will resume if the team is permitted to continue its performance.

★ Conduct

- Inappropriate dance moves will be subject to a violation
- Inappropriate language will be subject to a violation
- Unsportsmanlike, rude or disrespectful conduct by team members, coaches or supporters will be subject to a violation to your team.

★ Interpretations and Rulings

Any interpretation of any aspect of these Rules and Regulations or any decision involving any other aspect of the tournament will be rendered by the AASCF Competition Rules Committee. The AASCF Competition Rules Committee will render a judgment in an effort to insure that the tournament proceeds in a manner consistent with the general spirit and goals of the tournament. The Rules Committee will consist of the Tournament Director, Head Judge, and either the AASCF Rules Committee Chairman or a tournament official designated by the Chairman. The Tournament Director may appoint additional members to those listed above to be members of the AASCF Competition Rules Committee.

★ Finality of Decisions

By participating in this championship, each team agrees that the decisions by the judges will be final and will not be subject for review. Each team acknowledges the necessity for the judges to make prompt and fair decisions in this competition and each team therefore expressly waives any legal, equitable, administrative or procedural review of such decisions.

★ Sportsmanship

All participants agree to conduct themselves in a manner displaying good sportsmanship throughout and following the tournament. The coach and/or gym owner of each team is responsible for seeing that team members, coaches, parents and any other persons affiliated with the team conduct themselves accordingly. Severe cases of unsportsmanlike conduct are grounds for disqualification as explained in this document above.

★ Deductions and Disqualifications

Any team that does not adhere to the terms and procedures in the "Rules and Regulations" may be disqualified from the competition and automatically forfeit the right to any prizes or awards presented by the competition.

★ Scores and Rankings

Individual judges score sheets are for the exclusive use of each particular judge. Each judge has the responsibility and authority to review and submit his or her final scores and rankings prior to the final tally of the scores for all teams. Scores and rankings will be available only to coaches or gym owners at the conclusion of the competition.

★ Appearances, Endorsements and Publicity

All teams winning titles, awards or prizes agree to have all appearances, endorsements and publicity approved through the AASCF office.

ALL SECTIONS MUST FOLLOW THE USASF/IASF CHEER & DANCE GUIDELINES

www.usasf.net

GENERAL GUIDELINES - SCORING PROCESS

★ Scoring Process

Scores will be based on points per each Scoring Judge. These scores are transferred to the "Official Tally Average score Sheet". The scores are taken to a percentage score of which the violation penalties are then deducted to arrive at the "Grand Total" score.

★ Scoring & Violations Judges

Responsible for scoring each squad's performance based on the AASCF score forms. Judges will fill out their own score sheet. The Scoring judge will also determine violations of the General or Safety Guidelines.

★ Routine Scoring Categories Breakdown

Please email us for the judges score card in order to fully understand the breakdown of your sections before you start choreography.

★ Technical Safety & Cheerleading Safety Spotters

- You must have proper training before attempting any skill
- No team is permitted to stunt without a qualified coach equivalent to the level of skills they are practicing.
- Choose to perform only accomplished skills or your team will be subject to violations
- In Cheerleading, you must have **Safety Spotters** for extended stunts. A safety spotter can be a squad member back spot or a person that may step onto the performing area during stunts to assist in the event of an unexpected fall. Safety Spotters that are not part of the routine **MUST** be dressed in black long pants and a black shirt. There should be **NO** verbal coaching by Safety Spotters during the routine. Any occurrence will be considered a violation and the team will incur a deduction.

★ Routine Violations

Violations & deductions are assessed at the discretion of the judges. All judges' decisions are final.

Time Violations (TV)

All Cheer & Dance routines will be penalized if they are over time limit. 5 points if you are 5-10 seconds over and then 1 point per second thereafter. Coaches are strongly advised to create their routines to finish a few seconds under the time limit to avoid this violation.

Safety Guideline Violations (SGV)

Each General and Safety Guideline violation will be assessed to a point five (.5) to two (2)-point deduction. Guidelines are in effect until the team leaves the performance area. All coaches are to read and study the IASF/USASF Guidelines to make sure teams do not incur any of these violations. You can download these from www.usasf.net. **Jewellery and fingernails are deemed a SAFETY HAZARD, and as such every item of jewellery will cause an infraction on your team's scorecard. Plasters or adhesive tape covering jewellery and nails do not constitute a safety measure. All items of jewellery must be removed and nails cut short. There will be a Jewellery & nail check in pre-holding.**

1/ Accidental Violations

Point five (0.5) point deductions will be assessed from the total score for each minor mistake. Some examples are:

- ★ Forgetting choreography
- ★ Dropping Pom poms
- ★ Stepping off the Cheer surface during tumbling lines.

2012 Australian All Star Cheer & Dance Championship series package
